# Ulverston Specialist Shops

*A Guide to the diverse  
 Independent shops of Ulverston*

The historic market town of Ulverston, situated just South of the Lake District, has a wealth of specialist shops. You will find everything from a doll's house to a restored antique clock, from a horse blanket to a filing cabinet, and from a beeswax candle to a model aeroplane. As well as the specialist shops shown here, there is a wide range of independent grocers, butchers, delicatessens, tea shops, restaurants, and of course, pubs and hotels. The outdoor market comes to Ulverston on Thursdays and Saturdays. Stalls may be found on Market Street, and the streets around the market hall.

Ulverston's half day is Wednesday, and many of the shops featured here will be closed either in the afternoon, or, as with the indoor market, all day.

Visit Ulverston and you will be assured of a warm welcome and friendly service.
